KYLE BAUMANN

SOFTWARE DEVELOPER | STUDENT

PROFILE

I handle high-paced, high-pressure environments extremely well. I multitask without sacrificing my work output, quality, or ethics. I am an adaptive learner, a team player, and a self-motivator. I enjoy working independently, or with a team.

I communicate effectively with both supervisors and my colleagues. I'm able to provide a common vision, with clear direction and priorities. I'm energetic, organized, and proficient.

Technology is my passion!
